Questions

What's your biggest concern about our food system? How does that affect how you eat and make food choices?

Give an example of a time when you've had to represent yourself and something you're passionate about either one on one or in a public setting. How did you communicate that and how was it received?

When was a time you felt over your head in a work situation, school project or life event. How did you respond?

Any other skills or experiences that you feel make you a strong candidate for this position?
