

## Little Fox Farm Apprentice Application

What is your background?

Do you have any previous experience in agriculture?

Why do you want to work on a farm?

Please share a few things people should know about working with you.

What sort of physical shape are you in?

Do you have any relevant medical conditions or physical limitations that would affect your ability to do farm work (kneeling, squatting for hours, heavy lifting, long days, etc.)?

Can you carry and lift 50 lbs?

Do you have any other related work experiences or skills? (examples: education, carpentry, cooking)

Do you have transportation?

When would you be available to start? Any flexibility?
